Beechmont is a unique and special place with a strong sense of community. Beechmont Area Progress Association Inc (BAPA) was formed in 1998 as a tool to help the enrichment of the Beechmont community and to promote links within the community.

Currently BAPA's main aim and goal is to operate, maintain and preserve the Beechmont Community Centre at 1835 Beechmont Road. The Centre has become a hub for many club and social activities for young and old. BAPA provides the community with a registered organisation that can:

- Represent BAPA members to government, regional council and other organisations.
- Organise regular and special events.
- Provide communication tools such as websites, information sheets and newsletters.

By becoming a member of BAPA you can participate in the activities and projects of the organisation and help to influence the future direction of Beechmont.

When does BAPA meet?

General meetings are held every 2 months and more often when needed. An Annual General Meeting is held each year during April. The members elect the President and Officers of the organisation. Subcommittees are formed as needed for special projects.

Details of forthcoming meetings are provided on the BAPA website bapa.beechmont.org.au and by email update to members.

What activities can I be involved in?

That's up to you. You might want to only get involved when something comes up of particular interest to you. Or you might want to help on a regular basis by volunteering your time or expertise or just coming along to meetings.

Currently BAPA requires volunteers for Op Shop, Info Centre, Market Day etc.
