Beechmont is a unique and special place with a strong sense of community. Beechmont Area Progress Association Inc (BAPA) was formed in 1998 as a non-profit making association. It was formed as a tool to help the enrichment of the Beechmont community and to promote links within that community. The BAPA Constitution can be viewed on our web site listed below.

Currently BAPA's main aim and goal is to operate, maintain and preserve the Beechmont Community Centre at 1835 Beechmont Road, which is the site of the historic Old School and some of the original buildings are still in use. The old Headmaster's House, for example, is now a café and gallery where local artists exhibit their work. The Centre has become a hub for many club and social activities for young and old. BAPA provides the community with a registered organisation that can:

- Represent BAPA members to government, regional council and other organisations.
- Organise regular and special events.
- Provide communication tools such as websites, information sheets and newsletters.

By becoming a member of BAPA you can participate in the activities and projects of the organisation and help to influence the future direction of Beechmont.
